The button-down collar keeps its shape all day, even without a tie. Reinforced stitching on the placket and cuffs helps the shirt last through repeated washing.

Care: machine wash cold with similar colours, tumble dry low, and iron on medium heat while slightly damp for the sharpest finish.

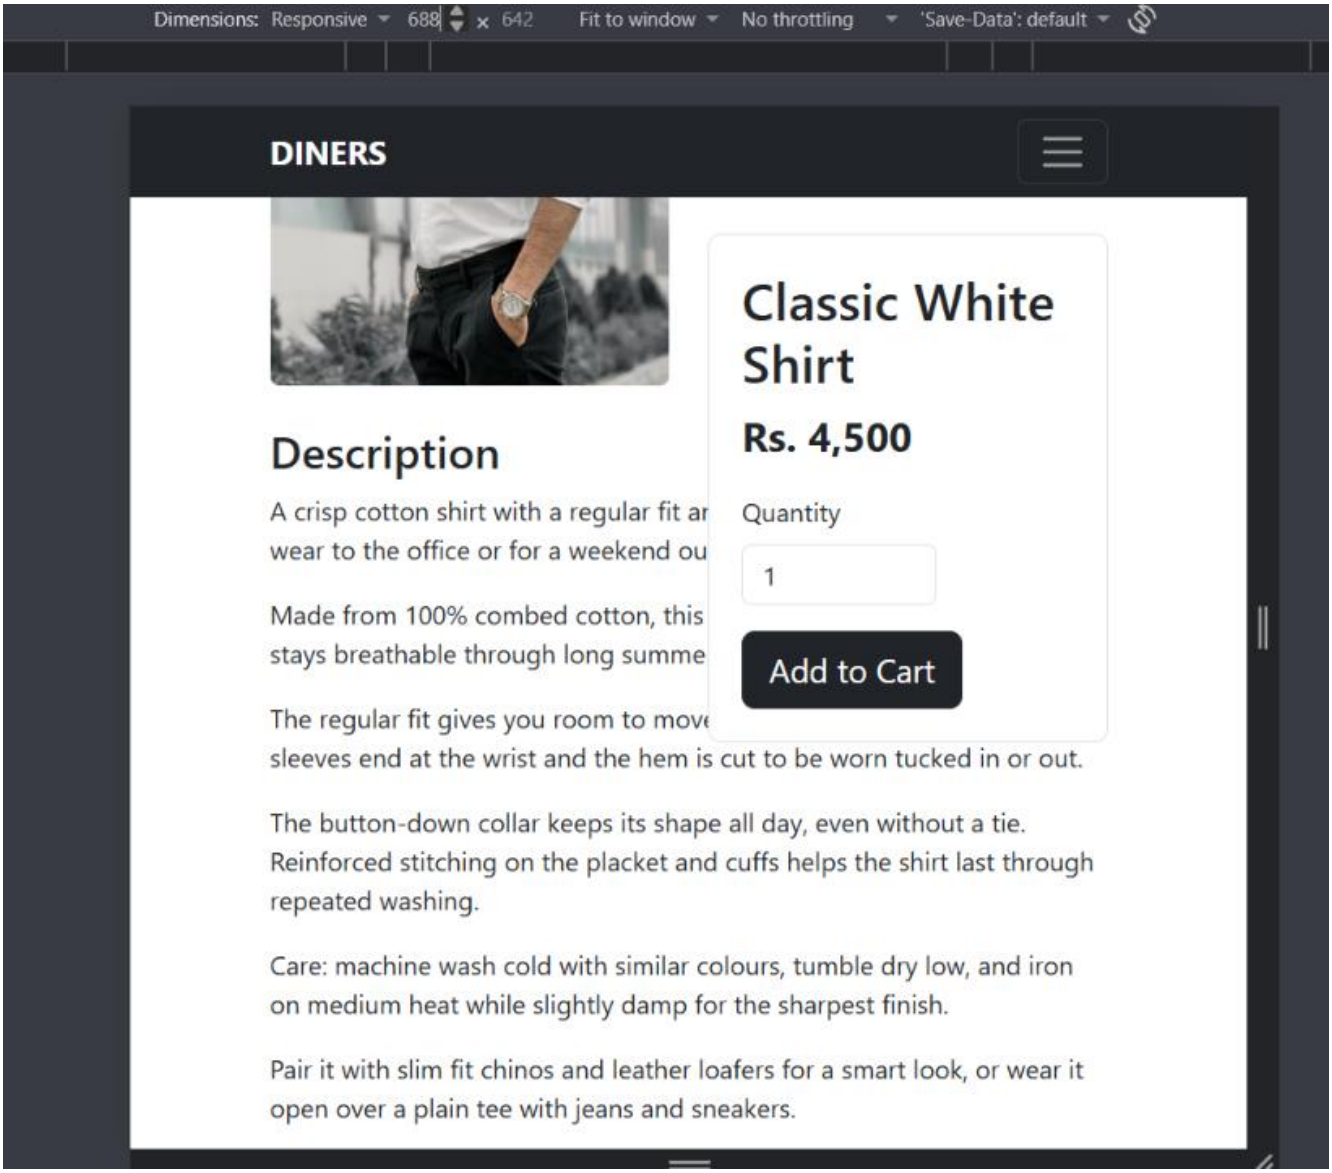

Pair it with slim fit chinos and leather loafers for a smart look, or wear it open over a plain tee with jeans and sneakers.

Available in sizes S to XXL. Check the size chart before ordering, and choose one size up if you prefer a looser fit.

Shipping: orders are dispatched within two working days and delivered across Pakistan in three to five days.

Returns: unworn items with tags attached can be returned within seven days of delivery for exchange or refund.

Why you'll love it: a wardrobe staple that works with almost everything, built to look good wash after wash.
